Re: Revised Permit Including Mathis Tract, Andalex Resources, Centennial Project Mine,  
C/007/019-IB02A, Outgoing File

*Mike*  
Dear Mr. Glasson:

The Division processed the Mathis Lease Incidental Boundary Change to the Centennial Mine, and approved it effective May 24, 2002. We have now revised the permit to reflect the additional area where you are authorized to conduct coal mining and reclamation operations. Two copies are enclosed.

Please have both copies signed by an authorized representative and return one to the Division. Thank you for your cooperation during the permitting process. If you have any questions, please call me.

Sincerely,

Lowell P. Braxton  
Director
